Poster Presentations

1. Effect of Preoperative Injection of Bevacizumab on the Operative and Postoperative course of Vitrectomy for Diabetic Patients
   Dr Ahmed Fawzy Eldeeb

2. Knowledge, attitude, and practice of Pypertensive Retinopathy among general Population in Kingdom of Saudi Arabia
   Dr Wejdan Saad Alruwaili

   Dr Wejdan Saad Alruwaili

4. Short term effects of intravitreal bevacizumab on kidney functions in patients treated for diabetic macular edema
   Prof Ahmed Mahmoud Abdel hadi EL Sayed, MD

5. Evaluation of Vitrectomy with Planned Foveal Detachment as Surgical Treatment for Refractory Diabetic Macular Edema with or without Vitreomacular Interface Abnormality
   Prof Ahmed Mahmoud Abdel hadi EL Sayed, MD

6. Spontaneous Suprachoroidal Hemorrhage in a Thirteen-year Old Child with Thrombocytopenic Purpura
   Dr Yazeed A Alferayan

7. Subretinal Escape of PFCL through Fovea
   Prof Mohamed A Tawfik

8. A Synthetic Hydrophilic Hydrogel Scleral Explant, Late Complication
   Dr Danah M Alghamdi

9. The importance of medication on the functions of retina and optic nerve in an opaque media
   Dr Sameh M Saleh

10. Causes of blindness in pediatric age group at tertiary healthcare center in Eastern province of Saudi Arabia
    Dr Hamdah M Alkhaldi

11. It is not always too late
    Dr Mahmood Othman Mekkawy

12. Identification Of Silicone Oil Maculopathy By OCT After Vitrectomy For Rhegmatogenous Retinal Detachment
    Dr Ahmed Ali Amer

13. One Year Follow Up Of Pars Plana Ex-Press Mini Shunt For Management of Persistent Glaucoma In Vitrectomized Eyes. A Novel Technique
    Abdussalam M Abdullatif

14. Association Between Glaucoma And Health-Related Quality Of Life: A Population-Based Study Of Data From The United States
    Dr Mohammed Hamad Aldebasi
15. Prevalence of Diabetic Retinopathy in patients with Type 2 Diabetes Mellitus in the Aseer region of Saudi Arabia
   Dr Abdulwahab Ali Alshahri

16. Para-central acute middle maculopathy (PAMM)
   Dr Ibrahim Abu-Elmagd Haroun

17. Surgical outcomes post retinal detachment
   Dr Banan Ismail Alsaied

18. The Value Of Non-Mydriatic Fundus Camera Screening for Diabetic Retinopathy Among Patients With Type 1 and Type 2 Diabetes: Hospital-Based Cross-Sectional Study
   Dr Rakan Khalid Alsalem

19. Awareness of Diabetic Retinopathy among Saudi Diabetic Patients
   Dr Fahad

20. Chromosome 1q terminal deletion and congenital glaucoma: A case report
   Dr Rakan Khalid Alsaad

21. Intravitreal injection of ziv-aflibercept in the treatment of retinal vascular occlusion
   Dr Abdullah H Ahmed Falhoom

22. Diabetic retinopathy in Saudi Arabia Prevalence, Pattern and Risk Factors; A Review Article
   Dr Reem Adel Alshamlan

23. Bilateral Impending Macular hole and Uveitis Following Electrical Injury
   Dr Daniya M. A. Alturkistani

   Dr Raghad Dhafer Adraj

25. PPV in acute retinal necrosis
   Dr Taha Mabrouk Atiaa

26. Factors Associated with Poor Adherence to Diabetic Retinopathy Screening among Saudi Adults.
   Dr Manal Mohsen Alwazae

27. Unilateral idiopathic choroidal neovascular membrane in a young male patient, a case report
   Dr Rahaf Abdullah Mandura

28. A Dangerous Combination
   Dr Ahmed Amr Mohssen

29. RIMS2 identified as novel disease gene for Leber congenital amaurosis and autism in a consanguineous cohort with early-onset retinal dystrophy
   Dr Basamat Almoallem

30. Eals disease, Idiopathic VS TB related!!
   Dr Sara Tawfik Ibrahim
31. Retinopathy of Prematurity at a Tertiary Care Center in Western Region of Saudi Arabia: Incidence and Risk Factors  
   Dr Waleed Wadea Khayyat

32. The Level Of Knowledge, Attitude, And Practice (KAP) Of Diabetes And Diabetic Retinopathy Among Patient With Diabetes In Riyadh City  
   Dr Abdulrahman M Barri

33. A Study on the Preclinical Stages of Diabetic Retinopathy using Multifocal Electroretinogram  
   Prof Amira M Elgohary

34. Sd-Oct In Congenital Macular Agenesis  
   Dr Foued Kameleddine Dallali

35. Prevalence of Laser Refractive Surgery among Ophthalmologists in Saudi Arabia  
   Dr Mohammed Sultan Alshehri

36. Reasons for not Performing Keratorefractive Surgery in Saudi Population  
   Dr Bader Saad AlQahtani

37. Mylinated NFL With Hyperopia  
   Dr SaaD Hamdan Alenezi

38. Awearness Of Poulation About Refractive Surgery  
   Dr Abdulmalik Hasan Alghamdi

39. Review of Pediatric keratoconus & its management  
   Dr Mohamed Fathi Afifi

40. Indications for Keratoplasty in King Abdul-Aziz University Hospital: 10 years of experience (2006-2016)  
   Dr Saeed Saleh Alqahtani

41. Ophthalmia Neonatorum Causing Keratitis Secondary To Herpes Simplex Virus Type 1, Early Diagnosis and Effective Treatment  
   Dr Abdulrahman AZ Aljasser

42. Complications Associated with Contact Lenses  
   Dr Turki M. Alqarni

43. Topical Cyclosporin A In Vernal Keratoconjunctivitis  
   Dr Faisal Morezeeq Alharbi

44. MFRP- and PRSS56-associated autosomal recessive nanophthalmos and posterior microphthalmia in a unique cohort of 21 families  
   Dr Basamat Almoallem

45. Study the histopathogical effect of platelet rich plasma on Healing of corneal wound  
   Dr Khaled Awad M Elbassiouny (not confirmed – no visa)
46. Knowledge and Attitude about Corneal Donation and Transplantation among the Saudi Population: A cross-sectional study
   Dr Eman Ali Alibrahim

47. Brown-McLean Syndrome in an Aphakic Patient with Homocystinuria; The First Reported Case in Middle-East
   Dr Saad Hamdan Alenezi

48. Successful Treatment Of A Neurotrophic Corneal Ulcer After Acanthamoeba Keratitis Using Recombinant Human Nerve Growth Factor (rhNGF)
   Dr Akram M. Almoallem

49. Single Pass Four-Throw Pupilloplasty For Iris Atrophy In Cataract Hzo Patient
   Dr Ahmed A Nagshbandi

50. The study of knowledge of ocular chemical injuries and proper immediate action
   Dr Shahad Zuhair Khawandanh

51. Sub-Conjunctival And Lacrimal Gland Injection With Platelet Rich Plasma (E-Prp) In Treating Chronic Dryness
   Dr Omneya ARahman Mohamed

52. Bilateral Spontaneous Hyphema in Juvenile Xanthogranuloma: A Case Report
   Dr Abdullah A Alowaid

53. Computer Vision Syndrome among Medical Specialties College Students, Prevalence and Risk Factors
   Dr Abdullah A Altalhi

54. Prevalence of Allergic Conjunctivitis and Comorbidities among Saudi Adults in the Western Region; a Cross Sectional Observational Study
   Dr Bayan Mutlaq Almasoudi

55. Visual impairment registry of Kuwait 2018
   Dr Hamad Alomairah

56. Self-medication Practice in Ophthalmology: A Questionnaire-based Study in Riyadh, Saudi Arabia
   Dr Bader Saad AlQahtani

57. Causes Of Irreversible Unilateral Or Bilateral Blindness In Albahe Province Of The Kingdom Of Saudia Arabia
   Dr Huda Farhan Alghamdi

58. Incidence Of Unusual Complications Following Usual Filtering Surgery With MMC In Children With Pediatric Glaucomas
   Prof Khulood Sayed

59. Intermediate Uveitis: etiologies and outcomes in a tertiary referral hospital in KSA
   Dr Haneen Omar AlHujaili

60. Lactoferrin nitration and Dry Eye Syndrome Investigating the Link Between Environmental Exposure and Dry Eye Syndrome
   Prof Amani Yahya Alhalwani
61. Assessing the level of Knowledge Among Medical Student About The Difference Between Ophthalmologist and Optometrist In Saudi Arabia: A Multi-Centric Study
   Dr Mohammed Hamad Aldebasi

62. Ocular Drug Delivery By Contact Lenses
   Dr Mohammed Ghezi Al-Motiri

63. Assessment of the tear evaporation rate in smoker subjects using Delfin VapoMeter
   Faisal Alenezi

64. Confocal microscopic examination of the conjunctiva in contact lens wear
   Dr Munirah Aldosari

65. Public Awareness regarding the Differences between Ophthalmologists and Optometrists among Saudi Adults Living in Riyadh: A Quantitative Study
   Mohammed Aldebasi

66. The Corneal Endothelial Changes in Soft Disposable contact lenses wearers using non-contact specular microscopy
   AlHanouf Alkhalaf

67. Prevalence of blepharitis in young adults in Qassim region
   Mohammed Abaalkhayl

68. Blepharitis and Effects on Tear Film in Young Adult, Qassim Region
   Khalid Alrumikhani

69. Ocular surface health and its relationship with the psychological status in university
   Ali Alaqel

70. A study on the dosage effect of cyclopentolate eyedrops on anterior segment parameters
   Abdulmohsen Alharbi

71. Anterior chamber angle measurement with Pentacam and its relationship with IOP, effect of Age and Refractive Errors
   Khaled Alhejji

72. Assessment of choroidal thickness in keratoconus patients using optical coherence tomography among Saudi population
   Fatimah Alghamdi

73. Impact of educational intervention on computer vision syndrome
   Mohammed Alharbi

74. A study of axial length to corneal radius of curvature ratio in relation to refractive state in Saudi young adult in Qassim province
   Abdullah Aldahman

75. The pattern of contact lens use in a Saudi community: A cross-sectional study
   Abdulrahman Alharbi
76. Awareness of diabetic retinopathy among Saudi diabetic patients
   *Abdulrahman Asiri*

77. Questionnaire Quantifying Individual's Time Spent Indoors And Outdoors: A Validation Study
   *Salman Alghunaim*

78. Assessing the level of knowledge among medical student about the difference between ophthalmologist and optometrist in Saudi Arabia: a multi-centric study
   *Mohammed Aldebasi*

**Video Presentations**

1. Four Points Scleral Fixation Of Foldable Iols Through A 2.2 Mm Corneal Incision
   *Dr Ahmed Samir*

2. Managemet Of Traumatic Severe Lens Sublaxation
   *Dr Ahmed Samir*

3. Single Pass Four-Throw pupiloplasty For Iris Atrophy In Catractus Herpes Zoster Ophthalmicus (HZO) Patient
   *Dr Majed Fehaid Alsubaie*
